ProfessionalSummary

I am a Layout Team Lead working at Magic Lume CG Pvt Ltd. I have a 8+ years of experience and relevant experience in 3D Character Animation, Shot Finalizing and knowledge in Autodesk Maya, Adobe Photoshop, Premiere Pro, After Effects, seeking an opportunity in an establishment that offers career - oriented work environment to enhance and apply my knowledge and expertise.

LAYOUT TEAM LEAD

- Guide the layout team in interpreting storyboards and translating them into visually engaging scenes with accurate perspective and depth.
- Provide creative feedback to layout artists, identifying areas for improvement and suggesting alternative approaches.
- Thorough understanding of layout principals, including camera movement, framing, and perspective.
- Monitor technical aspects of layouts, ensuring consistency in scene setups and maintaining production standards.
- Assign layout tasks to team members based on their strengths and project requirements.
- Provide constructive feedback and mentorship to layout artists, fostering their artistic development.
- Manage deadlines and ensure the layout team meets production schedules.
- Work closely with the storyboard artist to ensure smooth transition from storyboards to layout.
- Communicate effectively with animators, ensuring their animation work aligns with established layout.
- Collaborate with the production designer to maintain visual consistency across the project.
- Provide technical set-up of shots for downstream production department.
- Help guide the pre-visualization and layout work flow tool and pipeline development with input and testing.
